HOW TO GET CONNECTED

THINKSPEEED

SIGNING UP IS AS SIMPLE AS A WARP JUMP! 3 OPTIONS:

- Choose your ISP (Internet Service Provider) and give them a ring. See the providers below.
- OR*
- Visit your ISP's website (for a turbo boost in assistance!)
- OR*
- Head to www.thinkspeed.co.za and follow the prompts.

WHAT HAPPENS NEXT? PREPARE FOR LAUNCH SEQUENCE!

- Once you've signed up, a friendly navigator (service rep) will call you to set up a date for your fibre box (ONT - Optical Network Terminator) installation by Thinkspeed.
- Then, your ISP will reach out to get your WiFi set up, either by sending it over (super easy DIY) or dispatching a tech wizard to do it for you.
- Once everything's in place, your ISP will connect you to the internet. For any anomalies, just reach out to your ISP directly.

READY TO ILLUMINATE YOUR SCREEN?

- Connecting your DSTV decoder is a cosmic breeze! Explore pages 6 - 10 of the Thinkspeed brochure for all the stellar details.
